

CRUIZA

PRODUCT CODE: RECLGPURU-WH

PRODUCT NAME: CHEF-PRO

PRODUCT DESCRIPTION: Executive Chef PU/Rubber slip on clog

INFORMATION

COLOUR	White with black sole.
SIZE RANGE	2 – 14 (UK size).
ISO 20347 CLASSIFICATION	O4, HRO, SRC.
SLIP RESISTANCE CLASSIFICATION SRA / SRB / SRC	SRC – tested for slip resistance in environments of ceramic and metal surfaces with soapy solution.
CONSTRUCTION	Moulded.
NRCS APPROVAL NO	Not required.

MATERIALS

UPPER	Ultra-comfortable fluid form polyurethane (PU).
SOLE	Outsole – Nitrile rubber, heat, and chemical resistant anti-slip. Midsole – Fluid form polyurethane (PU).
EYELETS	N/A – Slip-on.
TOE CAP	No steel toe cap.
FOOTBED (INSOLE)	Removable moulded polyurethane (PU) taibrelle deodorising and anti-microbial mesh upper with contoured heel and arch designed to reduce foot fatigue. Hygienic and can be laundered.
HEEL STRAP	PU strap with a microfibre lining with adjustable Velcro pull tabs.

SPECIAL FEATURES

UPPER	Manufactured from ultra-light fluid form polyurethane (PU). Chemical, Oil, Blood, Fat and detergent resistant.
LAST	Our researched and tested natural tech-last ensures the most comfortable fit for all foot shapes.
SOLE	Nitrile rubber outsole. High chemical and oil resistance. Temperature maximum of 300°C and top of class slip resistance.
MIDSOLE	Fluid form polyurethane (PU) comfort layer for all day standing. Energy rebound technology to reduce fatigue and promote standing time. Unrivalled levels of comfort in kitchen gear.
HEEL STRAP	<ul style="list-style-type: none"> The heel strap improves stability by keeping the clog securely on you foot, reducing the risk of slipping or tripping. It enhances the comfort by preventing the clog from sliding around as you walk, reducing strain on your toes and feet. The strap provides additional support for your heel, which can be especially helpful during long periods of standing or walking. The heel straps allow you to wear them as slip-ons or secure them with the strap, offering flexibility based on your activity. By keeping the clog aligned with your foot, the strap can help minimize unnecessary foot movements, which reduces foot fatigue.
OTHER	Designed to provide an optimal foot climate. Super light weight without compromising durability. Posture enhancing resulting in reduced ankle, knee, hip, and back ache. Hygienic, anti-microbial and deodorising. Promotes health from the feet up. Can be laundered in temperatures up to 90°C.

KEY FEATURES

SUGGESTED ENVIRONMENTS

Any application where the user will have extended time on their feet especially in hospitality environments like kitchens where the user may be exposed to blood, oil, fats, cleaning detergents and slippery floors. Durability guaranteed!
