

PRODUCT CODE: REBFB01

PRODUCT DESCRIPTION: Standard footbed for additional comfort & support

MATERIALS

Moulded PU, taibrelle mesh upper.

FEATURES

- Anti-bacterial.
- Closed cell construction.
- Contoured heel cushion.
- Shock absorbing.
- Arch support.
- Moisture wicking.
- Fast drying.
- Size 3 to 13.

BENEFITS

- Reduction in fatigue.
- Reduction of aches & pains.

NOTES

If you remove your footbed from the shoe once a week, and allow the shoe to air properly, this helps to control fungal infection and associated complaints.
